Page 16, last paragraph, discusses an employee named J.R. There is nothing about work schedules or overtime. The paragraph above discusses

a different employee (T.C.). Again no information on work schedules or overtime. I think we are not on the same page.

RE: Work

Schedule in Marysville

See page 16 (last paragraph) in Dr. Lockey's master thesis. Does this answer the question?

There is some information on work schedule in the NIOSH report about the Marysville plant. See page SC-EPA-00163. The information in the report applies to work schedules in December 2000. Please see if you can verify whether similar work schedules were used in the 1963-1980 time frame.
